Events at Bistro du Midi

We are available for large corporate lunches, functions, and celebrations of all kinds. Let us craft a memorable experience for your event, with our award winning cuisine and attention to detail. We can offer private or semi-private dining, exclusive use of our second floor main dining room or we can expand the event to include our first floor café and terrace. Many approaches to service are available ranging from multi-course plated dinners to receptions with stationary and passed canapés. The full restaurant can accommodate events up to 200 guests.

The Cuisine

Bistro du Midi offers French Cuisine inspired by Coastal New England influences. Executive Chef/Partner Robert Sisca and his culinary team present modern, ingredient-driven creations that are at once refined and approachable. From a carefully conceived charcuterie selection to the freshest seafood, meats and vegetables, Bistro du Midi brings simple, clean and bold flavors to the plate.

The Design

The two-story restaurant and café at 272 Boylston Street features spectacular views of Boston's Public Garden in the heart of Boston. The Bistro on street level has casual feel with a large open façade that spills out on to our terrace in nice weather. The décor brings the look and feel of Boston's Public Gardens into the restaurant space. The artwork is comprised of one-of-a-kind commissioned works hand-selected for the space, including vibrant and lively pieces that bring a refreshed feel to the restaurant. The first-floor Bistro is a more casual and approachable space, while the second-floor Dining Room has a more sophisticated look. Fresh, colorful floral arrangements in elegant vessels are displayed throughout both floors.

The Service

Hospitality is the foundation of who we are. With a warm welcome at the door, the team here at Bistro du Midi will make you feel at home. We cater to the details and give every event the attention it deserves. Known for our friendly, polished and knowledgeable staff we take great care to anticipate every need and exceed every expectation.

THE WINE ROOM

The room features gorgeous views of Boston's Public Gardens on one side and our extensive wine cellar on the other. Separated from the main dining room by handsome sliding barn doors, this room can accommodate parties from ten to thirty.

The Wine Room can be set to accommodate up to 16 guests at a single table (top left) or up to 24 at two tables (top right) with enough additional space for a small standing reception, or up to 26 (bottom left) as the comfortable maxi-mum.
